The Class of Nineteen Sixty-five

Here we are; finally we are Seniors. We have passed all our classes and taken all our tests, and the year has been so busy that it seems to have lasted only a fleeting instant.

We've had many experiences in our four years at B.C.H.S., some happy, some sad; but we'll never forget the warm companionship of classmates, nor the friendly, gentle guiding hands of our teachers.

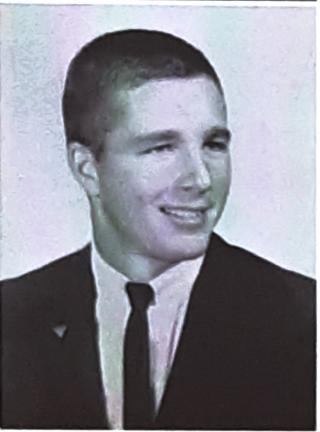

We'll always remember the victorious homecoming, and the fun-filled **Echo** Carnival. We'll also remember the Junior-Senior Reception and the sad departure of our old friends at graduation. With all these wonderful events it seems as if it is all coming to an end too fast.

As a class, we have striven toward the preparation for a better life, and as we depart, we'll all remember that wonderful year of 1965 when we were the Senior Class of Benton Consolidated High School.

The Class of Nineteen Hundred Sixty-six

We enjoyed being the "jolly juniors" of Benton Consolidated High School this year. We participated in the homecoming parade with a float. At Christmas we got our class rings and wore them proudly. Several members of the class took part in our junior play. There was fun planning and attending the junior-senior reception. Many of us took responsible offices in clubs.

Mr. Claude Phodes and Miss Verbal Adkisson were our sponsors.

The Class of Nineteen Hundred Sixty-Seven

We sophomores look with anticipation to the future. Even so, this past year has been a thrilling and productive experience.

Although we had participated in one previous homecoming, we looked forward to our sophomore homecoming festivities with much excitement.

The Sophomore Class under the direction of our class officers worked hard and long on the class float. The theme was "Boil the Birds! We'll Be the Wieners."

The sophomores, also, took part in many new activities—the Saturnalia, Science Club, Latin Club, History Club, and the Concession Stand—in addition to continued hard work at our studies and athletics.

Altogether, this period of our high school life has been truly worthwhile. We hope that our future years in Benton Consolidated High School will be as memorable as this year.

The Class of Nineteen Hundred Sixty-eight

We'd finally arrived at high school! It just didn't seem possible that we'd been in school for eight years! Yet here we were at a very important milestone in our lives.

We've had many new experiences while here. Surely no one will forget the first few weeks at Benton High. Most of us "Greenies" got lost at least once, but soon we felt very welcome, thanks to the help and understanding of the teachers and other students.

We, the class of '68, hope to be one of the best classes to graduate from B.C.H.S. Our goal is to keep up the fine traditions of past graduates.

As our freshman year comes to a close, our problems, experiences, and adventures will become a thing of the past, but we will never forget them.

The 1965 issue of the **Scarab** is the result of a long year of hard work. The staff enjoyed "breaking in" the new **Scarab** office this year as they spent many school hours and evenings making plans, drawing layouts, and sorting the piles of pictures. Early in August the business staff began contacting business men for the ads which would finance the book.

It is the hope of the staff and the sponsor, Mrs. Frailey, that you will find this book enjoyable now and double valued in the years to come.

National Honor Society

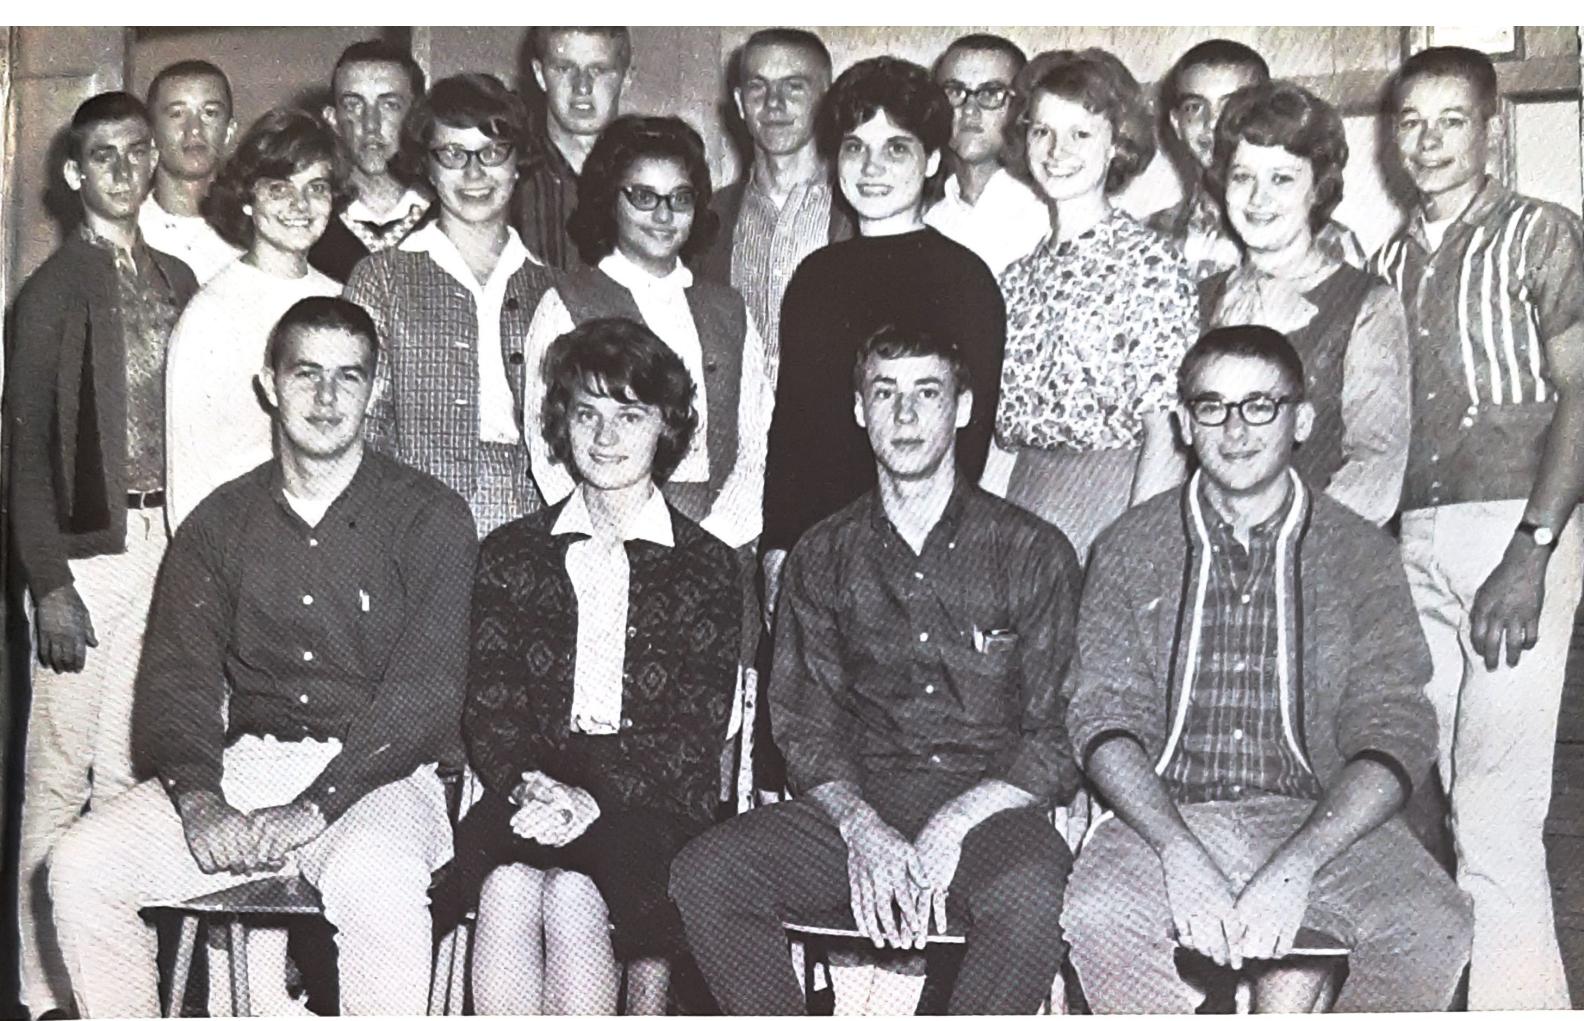

Left to right: Tom Gulley, v. pres.; Jane Donosky, sec.; Kay Webb, treas.; Steve Choisser, pres.

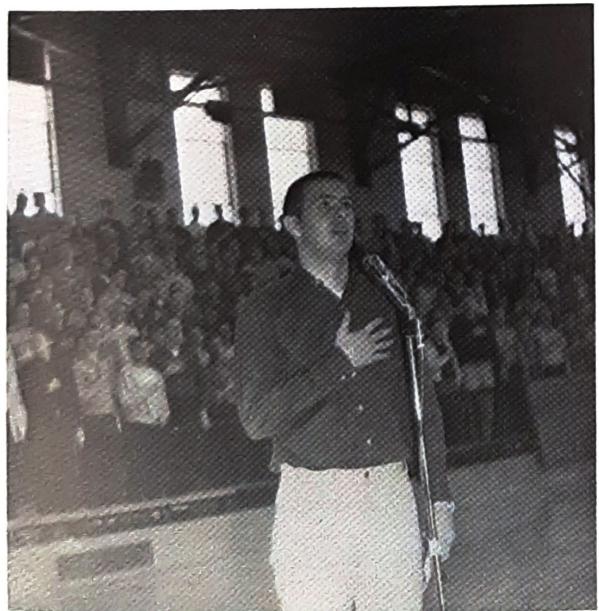

Membership in the National Honor Society is based upon scholarship, service, leadership, and character. An eligible candidate for this club must be a junior or a senior with a "B" average; he must have been a student at BCHS for at least one semester; he must be approved by the school faculty.

The goals of this club are: To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage development of character in students at our school.

Officers are elected after the first semester of the school year. Mr. Rhodes, Mr. Gulley, Mrs. Craddock and Mr. John Miller are the sponsors.

Student Council

Duane Hall leads the student body in the pledge to the flag.

The Student Council is a very important and active organization at BCHS. Membership is made up of the presidents and vice-presidents and two other members elected from each class.

The Student Council supports school activities, keeps democracy in our school, and works to improve student relations.

The president of the council is in charge of all lyceums and assemblies throughout the entire year. This group takes charge of class elections, raises and lowers the flag each day, sells tickets for homecoming, and participates in the Echo Carnival and homecoming parade.

Mu Alpha Theta

Mu Alpha Theta is a national high school mathematics club. The club has three purposes: to create an interest in and to further the study of mathematics, to give a better knowledge of math, and to become better acquainted with the use of math. A student must have a B average in math and all other subjects and must be a junior or senior to join this club.

At meetings the members discuss future plans, work problems of interest, and see movies. The club prepares its members for the National Mathematics Test and for Math Field Day at S.I.U. The club is sponsored by Miss Hooper.

Steve Hickman, treas.; Duane Hall, vice-pres.; Miss Hooper; Tom Gulley, pres.; Kay Webb, sec.

There's always fun, as well as learning, at Mu Alpha Theta meetings.

Science Club

Jim Hill, Secretary, Regina Midyett, Vice-President, Mary Sue Johnson, Treasurer, David Wheat, President, Mr. Green, sponsor.

The Science Club is made up of members of biology, chemistry, and physics classes. They meet twice monthly to discuss different areas of science and to prepare its members for college science work.

Talks were given by club members, films were shown, and sometimes experiments which they were not able to do in class were done. During the year some of the members took part in activities such as science projects and research papers, which were entered in the district Science Fair. They entered a float in the homecoming parade. At the end of the year a picnic was enjoyed.

The sponsor is Mr. Green.

Some of the star performers were centers Tom Barminski and Tom Gulley, who received conference mention; ends Bob Deitz and Duane Hall; tackles Rick Lewis, Jim Miller, and Dave Wheat; guards Dennis Chancey and Larry Durham; and speedy halfbacks Cyril Bowlin, John Minier, Kenny Payne and Jim Hill.
